A. THE RENEWED INVESTMENT AND WEALTH MANAGEMENT COOPERATION FRAMEWORK AGREEMENT

The terms and conditions of the Renewed Investment and Wealth Management Cooperation Framework Agreement are basically the same as those of the Old Investment and Wealth Management Cooperation Framework Agreement. The material terms of the Renewed Investment and Wealth Management Cooperation Framework Agreement are set out as follows:

1. Date

22 December 2023

2. Parties

(1) The Company, including its subsidiaries (“**Party A**”); and

(2) CITIC Trust, including its subsidiaries and related companies (“**Party B**”)

To the best of the Directors’ knowledge, information and belief after having made all reasonable enquiries, Party B and its ultimate beneficial owners are third parties independent of the Company and its connected person(s) (as defined under the Listing Rules).

3. Transaction nature

The Company and CITIC Trust entered into the Renewed Investment and Wealth Management Cooperation Framework Agreement on 22 December 2023 for a term of three years commencing on 1 January 2024 and ending on 31 December 2026 (both dates inclusive), pursuant to which Party B will provide the Investment Products, the Entrusted Investment Services and the Entrusted Services to Party A and Party A and Party B may initiate the Other Investment Cooperation, subject to separate agreement(s) to be negotiated and entered into for a specific transaction.

4. Subject matters

(1) Investment Products

Party B may from time to time recommend its Investment Products, including but not limited to trust products, monetary funds and asset management plans, to Party A and assuming that the commercial terms offered by Party B are comparable to those offered by other independent third parties in the PRC, Party A shall consider the Investment Products offered by Party B on a preferred basis under the same conditions. Taking the ranking, reputation and asset scale of CITIC Trust into consideration, the Company is of the view

that with equivalent terms and conditions offered by Party B, it will be fair and reasonable to consider its Investment Products on a preferred basis as CITIC Trust is one of the most reputable and reliable trust companies in the PRC and therefore in the interests of the Company and its Shareholders as a whole. Party A will purchase the Investment Products with its legally owned funds pursuant to the specific agreements to be entered into between Party A and Party B.

(2) *Entrusted Investment Services*

Party A will entrust its legally owned funds to Party B and Party B will provide the Entrusted Investment Services, including but not limited to equity trust services, property trust services and asset-backed securitisation services, to Party A pursuant to the specific entrusted investment service agreements to be entered into between Party A and Party B.

(3) *Entrusted Services*

Party B will provide Party A with the Entrusted Services in relation to asset-backed securities or other financial products and agency or underwriting business pursuant to the specific entrusted service agreements to be entered into between Party A and Party B. Assuming that the commercial terms offered by Party B are comparable to those offered by other independent third parties in the PRC, Party A shall consider entrusting Party B as the trustee for asset-backed securities or other financial products and agency or underwriting business to provide intermediary or underwriting services on a preferred basis under the same conditions. Taking the ranking and reputation of CITIC Trust into consideration, the Company is of the view that with equivalent terms and conditions offered by Party B, it will be fair and reasonable to consider its Entrusted Services on a preferred basis as CITIC Trust is one of the most reputable and reliable trust companies in the PRC and therefore in the interests of the Company and its Shareholders as a whole.

(4) *Other Investment Cooperation*

Party A and Party B may initiate the Other Investment Cooperation through negotiation in compliance with relevant laws and regulations, and Party B may provide Party A with relevant professional services (including but not limited to intermediary services).

5. Pricing basis

The pricing of the Investment Products, the Entrusted Investment Services and the Entrusted Services shall be jointly determined by Party A and Party B through negotiation with reference to the prevailing market terms of similar investment products, entrusted investment services or entrusted services offered by other independent financial institutions in the PRC at the time of

entering into the specific agreements under the Renewed Investment and Wealth Management Cooperation Framework Agreement. Party B has agreed that, in principle, the terms and conditions of the Investment Products, the Entrusted Investment Services and the Entrusted Services offered by Party B to Party A shall be no less favourable than the terms and conditions offered by Party B to other independent third parties for providing similar investment products, entrusted investment services or entrusted services. With a view to ensuring the terms and conditions offered by Party B will be at least equivalent to the terms and conditions offered by other independent financial institutions in the PRC, the Company will designate relevant personnel of the financial department of the Company to conduct searches on the market terms and conditions of similar products or services before entering into specific purchase agreements, entrusted investment service agreements or entrusted service agreements with Party B. In addition, the Company will, on its best efforts, obtain prices or quotations for similar products or services from other independent financial institutions in the PRC and will compare the terms and conditions to ensure the Investment Products, the Entrusted Investment Services and the Entrusted Services are fair to the Company.

The Directors confirmed that the pricing basis agreed between the Company and CITIC Trust for providing the Investment Products, the Entrusted Investment Services and the Entrusted Services is negotiated on an arm's length basis. Based on such and taking the ranking, assets scale and reputation of CITIC Trust into consideration, the Directors are of the view that such pricing basis is fair and reasonable and is in the interests of the Company and its Shareholders as a whole.

6. Termination and renewal

Either party to the Renewed Investment and Wealth Management Cooperation Framework Agreement may terminate it by providing at least thirty (30) days prior written notice to the counterparty.

7. Transaction values

The historical maximum daily investment balance (including accrued investment returns) under the Old Investment and Wealth Management Cooperation Framework Agreement for each of the two financial years ended 31 December 2022 and the eleven months ended 30 November 2023 is approximately RMB2,585,735,000, RMB2,573,438,000 and RMB3,749,621,000, respectively. There is no historical transaction amount of the service fees paid by Party A to Party B in respect of the entrusted services under the Old Investment and Wealth Management Cooperation Framework Agreement for the same period.

Pursuant to the Renewed Investment and Wealth Management Cooperation Framework Agreement, the maximum daily investment balance (including expected accrued investment returns) of Party A with Party B under the Investment Products, the Entrusted Investment Services and the Other Investment Cooperation in aggregate for each of the three financial years ending 31 December 2026 should not exceed RMB6,000,000,000 (equivalent to approximately HK\$6,603,420,572).

The maximum daily investment balance (including expected accrued investment returns) for the three financial years ending 31 December 2026 was determined with reference to the balance of cash and cash equivalents of the Group of approximately RMB29,776,735,000 (equivalent to approximately HK\$32,771,384,077) as at 30 June 2023. Considering the Group's financial resources, monetary funds and operation needs, including the balance of cash and cash equivalents of the Group as at 30 June 2023, the current debts of the Group as at 30 June 2023 and the monthly expenses of the Group, the Company intends to invest part of the cash and cash equivalents of the Group through the cooperation with Party B. The maximum daily investment balance (including expected accrued investment returns) of RMB6,000,000,000 (equivalent to approximately HK\$6,603,420,572) represents approximately 20.15% of the balance of cash and cash equivalents of the Group as at 30 June 2023 and therefore the Directors are of the view that the maximum daily investment balance (including expected accrued investment returns) is set at a reasonable level and the remaining cash and cash equivalents of the Group will still be able to meet the Group's operational needs. The Directors confirmed that before making decisions to enter into any specific purchase agreements or entrusted investment service agreements, the management of the Company will take into consideration a series of factors, such as the then amount of cash and cash equivalents, operation capital requirements and debt level of the Group. With a view to ensuring the stable operations of the Group, as a general principle, if the total outstanding investment with Party B exceeds 25% of the then balance of cash and cash equivalents of the Group, the Group will not make further investment with Party B.

On the other hand, the Company has no intention to invest all of the cash and cash equivalents of the Group at Party B with a view to enhancing risk management and liquidity management. The Company believes that utilising part but not all of the Group's cash and cash equivalents through the cooperation with Party B will help lower the commercial risk exposed to the Company (if any) and will provide the Company with more flexibility in relation to liquidity management. Taking the above factors into account, the Company determined that the maximum daily investment balance (including expected accrued investment returns) should not exceed RMB6,000,000,000 (equivalent to approximately HK\$6,603,420,572).

Set out below are the maximum annual service fees which are estimated to be payable by Party A to Party B under the Entrusted Services for the three financial years ending 31 December 2026:

	For the financial year ending 31 December		
	2024	2025	2026
	<i>(RMB)</i>	<i>(RMB)</i>	<i>(RMB)</i>
Maximum annual service fees	60,000,000	60,000,000	60,000,000

The maximum annual service fees for the three financial years ending 31 December 2026 were determined with reference to the estimated asset values of the asset-backed securities or other financial products for which Party A will require the Entrusted Services from Party B for each year and the estimated service fee rate for the Entrusted Services.

The estimated asset value of the asset-backed securities or other financial products under the Entrusted Services for each of the three financial years ending 31 December 2026 is RMB6,000,000,000, which was determined with reference to the expected scale of the Group's relevant business for each of the three financial years ending 31 December 2026. The service fee rate for the Entrusted Services was determined with reference to the customary service fee rate range of the trust industry in the PRC.

B. REASONS AND BENEFITS FOR ENTERING INTO THE RENEWED INVESTMENT AND WEALTH MANAGEMENT COOPERATION FRAMEWORK AGREEMENT

The reasonable use of temporary idle funds of the Group under the Renewed Investment and Wealth Management Cooperation Framework Agreement is expected to bring higher returns to the Company as compared with fixed term deposits in commercial banks in the PRC. Based on the public information in relation to CITIC Trust, among others, it was awarded “Best Securities Investment Trust Product” by Shanghai Securities News for the third time in 2022, the “Outstanding Standard Product Trust Plan of Year 2022” and the “2020 China Outstanding Trust Company Award” by Securities Times and the “Best China Trust Company” in 2019 by the Asian Banker. Having considered that CITIC Trust is one of the most reputable trust companies in the PRC with abundant investment management experiences and the investment risks of the Investment Products and the Entrusted Investment Services to be provided by Party B are relatively low based on its historic record, ranking, asset scale and reputation, the Directors are of the view that such investment would not impact the liquidity or business operations of the Company since the maximum daily investment balance (including expected accrued investment returns) for the three financial years ending 31 December 2026 only represents approximately 20.15% of the balance of the Group's cash and cash equivalents as at 30 June 2023 and entering into the Renewed Investment and Wealth Management Cooperation Framework Agreement is consistent with the Company's policy to enhance funds utilisation efficiency and ensure capital safety. In addition, considering the experience and reputation of CITIC Trust and the ability of Party B to provide high-quality Entrusted Services, the Directors are of the view that entrusting Party B as the trustee of asset-backed securities or other financial products of the Group is of commercial benefit to the Group as a whole.

Based on the above, the Directors (including the independent non-executive Directors) are of the view that the terms and conditions of the Renewed Investment and Wealth Management Cooperation Framework Agreement have been negotiated on an arm's length basis, and are on normal commercial terms and fair and reasonable, and the transactions contemplated under the Renewed Investment and Wealth Management Cooperation Framework Agreement are in the interests of the Company and the Shareholders as a whole.

C. LISTING RULES IMPLICATIONS

D. GENERAL

The Group is principally engaged in the manufacture and sales of aluminum products.

CITIC Trust is principally engaged in the management of fund trust, chattel trust, real estate trust, securities trust, other property trusts and investment funds.
